

# Impress for less with a **VIRTUAL OFFICE!**

*The IIBC at GMIT Castlebar houses new start-ups and expanding enterprises*

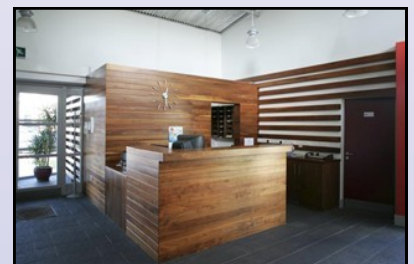

- Do you often travel and have no need for actual office space?
- Are you a new business wishing to test your market before committing to the cost of setting up a permanent office?
- Do you wish to expand your business regionally or internationally?
- Are you working from home but feel your business would benefit from a professional office image?
- Are you looking to meet more start-up businesses?

Now you can have all the benefits of an office, without the expense or commitment. Whether you work from home, are just starting a new business or need to expand into a new market, we can assist you by offering:

- ***A high profile business address***
- ***Mail collection and handling***
- ***Fully equipped meeting rooms and private office time***
- ***Networking Opportunities & Access to other client companies.***

***Price plans available from just €60 per month!***
