and businesses chosen for an Award.

## Nominate by email

You can also email your nomination to  
**[passionawards.ie@vodafone.com](mailto:passionawards.ie@vodafone.com)**  
Remember to include your nominee's contact details.

# Local **passion**

At Vodafone, we're passionate about making a positive contribution to the world around us.

We know that many people and businesses throughout Ireland share our passion. They're the ones making a difference every day in their local communities. Their good work is always appreciated but sometimes it can go unrecognised.

That's why, in partnership with local chambers, we hold the Vodafone **Passion for the World Around Us Awards**. So we have a chance to say 'thanks' when they show that they really care.

Who do you want to thank in your local community?

## What the world needs now

Irish people and businesses are lending a helping hand to the world around them in all sorts of ways. Here are just some:

- Improving the local environment
- Introducing and supporting local educational or safety initiatives
- Setting up organisations that benefit members of the community
- Volunteering time to help others

Now you have a chance to make sure that all these contributions are appreciated. Know someone you think deserves recognition?

Don't hesitate – nominate!

## How do we choose?

It's never easy choosing a recipient for the Award when everyone nominated is making their world a better place. We've put together a local selection committee to help make the decision. It includes someone representing the participating Chamber, the regional Vodafone area manager and other local representatives.

## When are the Awards?

Each region chooses one recipient for the Award, three times a year. That's three opportunities for the region to say 'thanks' to the person or business that really shows passion for the world around them. At a local ceremony, the regional recipient is presented with a specially commissioned ceramic Award – exclusively designed by Irish artist Michele Hannan – and a Vodafone **Passion for the World Around Us** Award certificate.

## Business nominations

You can now nominate your company for the Awards. The Business Awards will be judged in the second round of entries for 2006. Nominations for this round close on 30 June 2006.

## Big thanks, small print

1. Friends, family members and colleagues can nominate people.
2. You can nominate people of any age, once they have made a difference to the world around them.
3. Employers and Staff can nominate their own businesses for the second round of Awards. Deadline: 30 June 2006.
4. You need to send an official entry form (photocopied or downloaded is fine) with every nomination.
5. We cannot return your nominations.
6. The decision of the judging panel is final.
7. Remember: send your nominations to your local Chamber office and not to Vodafone Ireland. There's a list of their addresses below.
8. We may carry your nomination over and consider it for the next round of awards, if we receive it after the award deadlines.
